

National Chengchi University Application Form for the Use of Peer-to-Peer Software in the Campus Network

___ / ___ / ___ (yyyy/mm/dd)

| | |
|---|---------------------------|
| Applicant: | Employee code/student ID: |
| Application period: ___ / ___ / ___ to ___ / ___ / ___ (yyyy/mm/dd) | |
| IP address: | |
| Name of peer-to-peer software: | |
| Reason for use | |

The applicant shall be fully liable for any legal consequences arising from the use of this peer-to-peer software.

As of November 21, 2007, the Computer Center has banned the use of peer-to-peer software on the University's campus and has implemented an application system instead. Those who use peer-to-peer software after application and are reported by the Ministry of Education or other government agency for suspected copyright infringement shall be subject to disciplinary action in accordance with the *Student Award and Penalty Regulations* (for details, please refer to the letter Zheng-Dian-Zi No. 0970000697, circulated at the University under document number s97C040004).
